## Company Profile

We started our journey in 2007 as MR Lighting - Since then we have never stopped designing and creating indoor and outdoor architectural light fixtures. Which are synonymous with innovation, research and attention to detail have been lighting the most prestigious architectural and artistic works, creating extraordinary atmospheres and evoking real emotions.

The Company has grown in leaps and bounds – with four companies being operated as our sister companies, with specialised teams – all working to provide our clients with the best of technology, innovation and service. Our appearance and identity today are the result of the experience and professionalism we have gained over time, which we want to share with our partners and the quality of the environment we live in.
